

fitt nts marine

Elegant, resistant to sea water, anti-UV.

Made with the unique and original NTS textile reinforcement, the FITT NTS Marine hose is extremely easy to use, guaranteeing a constant flow of water without any folds or twists.

It is particularly suited to marine applications as it withstands sea water.

An ideal solution to use on all types of boats.

The SKY TECH technology increases resistance to cuts and abrasion and makes the hose extremely smooth and easy to manage, enabling it to slide over all surfaces and even around corners.

The SKY TECH protective film, specially designed to counter UV rays, prevents premature ageing of the hose.

Ø	LENGTH [m]	BURSTING PRESSURE (bar)
5/8" 15 mm	25	25
	50	
3/4" 19 mm	25	22
	50	

Prolonged exposure of FITT NTS Marine to salty environments does not cause any deterioration in the hose's performance and appearance.

FITT NTS conforms to the most stringent standards:

- Phthalate-free (<math>< 0.1\%</math> weight/weight)
- REACH-compliant (free of SVHCs)
- RoHS-compliant
- Free of PAHs (polycyclic aromatic hydrocarbons)
